Printing the indicia (mail stamp) on your mailing piece saves you time and money. You simply design your piece with the indicia and it is printed on.

MarketPlace-Solutions.com allows you to use our indicia for free. Please note that the use of our indicia means the mail MUST go to the Raleigh Post Office, where they verify there is money in our account.

There are three different imprints -- First Class, Standard or Bulk Mail, and Non Profit. Call us at 919-848-4332 to determine which one is suitable for your mailing.
