

Get your website found

The “days of build it and they will come” are past. We know how to both design a site and get high organic rankings in the search engines.

The key to MarketPlace-Solutions.com’s success is our in-depth understanding of the differences in the way people and search engines see a web page. We can transform a losing site into a winning one, giving you a competitive advantage as you compete for maximum visibility.

Our Internet marketing services include:

- Professional web site design
- Search engine optimization (SEO)
- Analysis and reporting to map your success

Our clients speak

“We called in MarketPlace-Solutions.com for a major direct mail campaign. Within a week, we had everything designed and printed, our customer list cleaned up, and the piece in the mail. Steve Rosenberg’s knowledge and commitment are impressive.”

– Emily Payne, Sir Walter Chevrolet

“MarketPlace-Solutions.com can do it all: design, print, data entry and mail. They have handled our direct mail campaigns since we opened in 1991.”

– Barbara Rosenberg, SRI Shoes

“Steve Rosenberg and his team have done our mailings for years. They are easy to work with, dependable, flexible and very reliable.”

– Jill Highsmith, The Angus Barn

“MarketPlace-Solutions.com has handled our printing and mailing needs for several years. They combine low prices with top quality and friendly service while meeting tight deadlines.”

– Dan Clem, STN AlertNow

“MarketPlace-Solutions.com helped get a large mailing out within a very tight deadline – and they were significantly cheaper than the other bidders. I was very happy with both the end product and their customer service.”

– Amy Blalock, City of Durham
